

# Pure Jam

## Yellow Magic Orchestra

This must be the ugliest piece of bread  
I've ever eaten  
Wrapped in a foil-like substance It's an unidentified object  
Shapelessly square  
God, it's so ugly (Jam desho)  
I wonder why  
Maybe the answer lies  
(Sore jam desho, dozo)  
In the thickness or the size
