## Seems So Long Ago, Nancy

## **Leonard Cohen**

It seems so long ago

Nancy was alone

Looking ate the Late Late show

Through a semi-precious stoneIn the house of honesty

Her father was on trial

In the house of mystery

There was no one at all

There was no one at allIt seems so long ago

None of us were strong

Nancy wore green stockings

And she slept with everyoneShe never said she'd wait for us

Although she was alone

I think she fell in love for us

In nineteen sixty one

In nineteen sixty oneIt seems so long ago

Nancy was alone

A forty five beside her head

An open telephoneWe told her she was beautiful

We told her she was free

But none of us would meet her in

The house of mystery

The house of mysteryAnd now you look around you

See her everywhere

Many use her body

Many comb her hairIn the hollow of the night

When you are cold and numb

You hear her talking freely then

She's happy that you've come

She's happy that you've come
