

Like A Fool

[Robin Gibb](#)

So many lovers, too many nights
Face in the mirror that keeps you alive
So close together, so far apart
I'm so afraid without you Rain on the river I'll never cross
Wind on the ocean, the feeling is lost
I still believe that you cry for me
Will I survive without you? Like a fool, I was waiting
Like a fool, for you to come back
Fool, I was standing alone in the rain
Like a fool, I was dreaming
Like a fool, to lose you this way
I, and now I'm just fooling myself Hearts go on beating, love out of time
Streets without pity, I search for a sign
Oh, I keep running into the night
But I'm still lost without you Too many lovers, too many nights
Face in the window that keeps me alive
So close together, so far apart
Will I survive without you? Like a fool, I was waiting
Like a fool, for you to come back
Like a fool, I was standing alone in the rain
Like a fool, I was dreaming
Like a fool, to lose you this way
Like a fool, I was standing alone in the night I travelled so far
In the lonely, lonely nights
In the lonely
I mean Like a fool, I was waiting
(The long, lonely nights)
Like a fool, for you to come back
(In the dark of the night)
Fool, I was standing alone in the rain
(Like a, in the darkness of, ah)
Like a fool, I was dreaming
Like a fool, to think you would stay
Like a fool, and now I'm just fooling myself
