Shape Of You

Beverley Knight

This woman's eyes ain't got no colour
When I think about life without you
Even if it's for the best, regardless
It's the hardest thing to do
Looking at the path that we've taken
We didn't leave a stone unturned
But don't you believe that this won't slay me
Even if I act unconcernedWith a smile, I'll face the world
Though my eyes reflect the truth
I'm moving on
But you know I do.
With a hole in my heart in the shape of you.
With a hole in my heart in the shape of you.I step into unchartered water
And I'm afraid of what I've done
See I can't head toward my future
Reminicing on how just far we had come
Maybe we could find redemption
Maybe then it all could make sense
Until then I must believe these words
Even though I think you know
That I'm unconvinced[Chorus]
