All I See

Lydia

All I see scares me
No one waits...You will never waste my time, no, no
You will never waste my time, 'cause...She locks all the doors and turns, says,
"We will always be safe here in this bed"
All I see scares me, and no one waits foreverSo come closer, baby
I want to see what you're made of
See what you're made of
'Cause this isn't all we could be
You're not the same, and I'm
I'm not the same and...No one could ever wait for you
And no one, yeah, no one could ever
Wait for you, I'll wait for youBut you are the never ending sleep
That I, I love to treat with this medicine
I get from my, my closer friends
But all I seeSo come closer, baby
I want to see what you're made of
See what you're made of
'Cause this isn't all we could be
You're not the same, and I'm
I'm not the same, and...
