

# Boss Bitch

## Millionaires

I'm the type of girl that your momma never want to meet  
Centerfold in your daddy's hidden magazine  
I'm kinda sweet, and fake like Splenda  
Topless on the beach, you can call me Kendra  
But I'm not like the girl next door  
In between a cheerleader and a whore  
Raw, raw, raw! Like sushi  
Always keep it clean, no douching

[Hook]:

They be saying I'm a boss bitch  
I'm a boss bitch  
I'm a boss bitch boss bitch  
They be hating I'm like naw bitch  
I'm like naw bitch  
I'm like naw bitch naw bitch  
They be saying I'm a boss bitch  
I'm a boss bitch  
I'm a boss bitch boss bitch  
They be hating I'm like naw bitch  
I'm like naw bitch  
I'm like naw bitch naw bitch

Ha, ha, ha, ha, ha, ha, ha bitch

Chinese, Japanese  
Dirty Knees, Look At These  
Hoes tryna get up on my main squeeze  
Don't you know who the fuck I am, bitch please  
Call me Hello Kitty  
You be just a pussy  
And I'm better than the best of you  
Always number one and you'll always be the number two  
That awkward moment when I walk into the room  
And I realize I'm the only bad bitch, move

[Hook]

I'm a train wreck  
Hot mess, no stress

Rockin' Louis Vuitton  
Bitch you're wearing Payless  
I'm a 10, you're barely a 4  
The filet mignon you will never afford  
Yellow fever make them black dudes koo-koo  
You can hollaback boy, harijuku  
All them haters tryna use their voodoo  
I'mma kick their fucking ass, Lucy Liu

[Hook x2]
