

Love Don't Come Easy

Monrose

I've traveled the whole wide world
Still I haven't found you
Call out your name almost every day
Hope to hear from you soon Still believe that you will come to me
And I'll be waiting right here
I keep on looking for you patiently
Fighting out all doubts and fears Just a vision of you is enough for the proof
And I'm willing to do what it takes
I am ready for pain and the joy that you bring
Holding on even if my heart breaks Love, love don't come easy
For the one who wants to be loved
Love, love don't come easy
Seems there is none but I won't give up
Love don't come easy
Feelings grow slowly, slowly
Love is taking its time
Love don't come easy
Don't wanna be lonely, lonely
One day you will be mine, you will be mine
(you will be mine) I lived so many lives
I've touched millions of hearts
I spread my wings but I couldn't fly
Though I wished on so many stars
No, no, no, no Painted different pictures in my mind
But I can't build a frame
And what's the use of painting
If I seem to be blind
Please show me your face (your face) Just a vision of you is enough for the proof
And I'm willing to do what it takes
I am ready for pain and the joy that you bring
Holding on even if my heart breaks Love, love don't come easy
For the one who wants to be loved
Love, love don't come easy
Seems there is none but I won't give up
Love don't come easy
Feelings grow slowly, slowly
Love is taking its time
Love don't come easy
Don't wanna be lonely, lonely

One day you will be mine, you will be mine
(you will be mine)What did I do?
Did I scare you away?
What can I do to make you stay?
Why can't you see I'm on my knees?
I need you here with me
OhLove, love don't come easy
For the one who wants to be loved
Love, love don't come easy
Seems there is none but I won't give up
Love don't come easy
Feelings grow slowly, slowly
Love is taking its time
Love don't come easy
Don't wanna be lonely, lonely
One day you will be mine, you will be mine
(you will be mine)Yeah
You will be mine
