

Things Ain't Like They Used To Be

The Black Keys

Went around the way for you
Did all those things you asked me to
I thought it was the perfect day
To see just open love to sayIt doesn't mean a thing to me
It doesn't mean a thing to me
And it's about time you see
Things ain't like they used to beI headed out to Lester Hill
But that just made me weaker still
She's got the kind of love I need
The kind that's never good on meAnd it doesn't mean a thing to me
It doesn't mean a thing to me
And it's about time you see
That things ain't like they used to beWalked into the battle blind
It happens almost all the time
The yard is kinda overgrown
And all those happy times are goneBut it doesn't mean a thing to me
It doesn't mean a thing to me
And it's about time you see
That things ain't like they used to beIt doesn't mean a thing to me
It doesn't mean a thing to me
And it's about time you see
Things ain't like they used to be
