

A Little Is Enough

Pete Townshend

They say that love often passes in a second
And you can never catch it up
So I'm hanging on to you as though eternity beckon
But it's clear that the match is rough Common sense'd tell me not to try and continue
But I'm after a piece of that diamond in you
So keep an eye open, my spirit ain't broken
Your love is so incredible, your body so edible You give me an overdose of love
That just a little is enough I'm like a connoisseur of champagne cognac
The perfume nearly beats the taste
I eat an oyster and I feel the contact
But more than one would be a waste Some people want an endless line that's true
But all I have is a little time with you
A smile sets me reeling, a kiss feel like stealing
Your love is like heroin, this addict is mellowing I can't pretend that I'm tough
Just a little is enough Just like a sailor heading into the seas
There's a gale blowing in my face
The high winds scare me but I need the breeze
And I can't head for any other place Life would seem so easy on the other tack
But even a hurricane won't turn me back
You might be an island on the distant horizon
But the little I see, looks like heaven to me And I don't care if the ocean gets rough
Just a little is enough Common sense'd tell me not to try and continue
But I'm after a piece of that diamond in you
So keep an eye open, my spirit ain't broken
Your love is so incredible, your body so edible You give me an overdose of love
A little is enough
