

# Here's to the Heroes

## The Ten Tenors

Here's to the heroes those few who dare,  
Heading for glory leaving a prayer.  
Here's to the heroes who change our lives,  
Thanks to the heroes freedom survives.  
Here's to the heroes who never rest,  
They are the soldiers, they are the best.  
Here's to the heroes who aim so high,  
Here's to the heroes who do or die.  
Here's to the heroes who aim so high,  
Here's to the heroes who do or die.  
Here's to the heroes who do or die.
