

Stand Still

The Isaacs

Verse 1

The Father has a plan, though itâ€™s hard to see it now
You feel youâ€™re walking all alone, but He is there, no doubt
When the storm around you rages and youâ€™re tossed to and fro
When youâ€™re faced with lifeâ€™s decisions, not sure which way to go

Chorus

Stand still and let God move
Standing still is hard to do
When you feel you have reached the end
Heâ€™ll make a way for you
Stand still and let God move

Verse 2

When the enemy surrounds you, and the walls are closing in
When the tide is swiftly rising and you wonder where Heâ€™s been?
Friend, there never was a moment that His arms werenâ€™t reaching out
You can rest assured and be secure God is moving right now

Chorus

Stand still and let God move
Standing still is hard to do
When you feel you have reached the end
Heâ€™ll make a way for you
Stand still and let God move

The answer will come, but only in His time
Stand still and let God move
Stand still and let God move
