

Hide Away

KIDZ BOP Kids

Boys seem to like the girls
Who laugh at anything
The ones who get impressed
Before the second date Girls seem to like the boys
Who don't appreciate All the money and the time that it takes
To be fly as a another
Got my both eyes out for one that's right
Guessing I just don't know where to find 'em
But I hope they all come out tonight
Hey Where do the good boys go to hide away, hide away?
I'm a good, good girl who needs a little honesty
Looking high and low, someone let me know
Where do the good boys go to hide away, hide away? Boys seem to like the girls
Who answer on their cell
Talking them up about the songs they sing so well
But I'd rather find a boy
Who is down for the chase
Putting in the time that it takes
To be fly as another
To supply all of my heart's demands
Suit and tie cause under cover
He's gonna save my life like superman
Hey Where do the good boys go to hide away, hide away
I'm a good, good girl who needs a little honesty
Looking high and low, someone let me know
Where do the good boys go to hide away, hide away? Tell me where the good boys go
Tell me where the good boys go
Tell me where the good boys go
Won't somebody tell me, tell me
Tell me where the good boys go
Tell me where the good boys go
Tell me where the good boys go
Tell me where the good boys go
Tell me where the good boys go
Tell me where the good boys go
Where do the good boys go to hide away, hide away
I'm a good, good girl who needs a little honesty
Looking high and low, someone let me know
Where do the good boys go to hide away, hide away?
Hey Hide away, hide away
Hide away, hide away Looking high and low, someone let me know
Where do the good boys go to hide away, hide away?

Hey
