

A-YO

Lady Gaga

[Intro]

Here we go! [Verse 1]

I can't wait to smoke them all

Whole pack like Marlboro

Blow it in your face, blow it in your face

Blow it in your, blow it in your face

I can't wait to rev you up

Faster than you can say "Ferrari"

Tearin' up the gravel, watch you unravel

Now it's a party

Hey, I can't wait to cast my spell

Which one you'll never tell

'Cause I got it covered, city gravy southern

Got you drippin' like no other [Chorus]

Get off on me, my body's got you pleadin'

Light me up and breathe in

Mirror on the ceilin'

Off on me, my body's got you pleadin'

Light me up and breathe in

Mirror on the ceiling

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO

We smokin' 'em all

A-YO, A-YO [Verse 2]

I can't wait to blaze for real

Track burns like a road rail

Spin it in your face, spin it in your face

Play it in your, play it in your face

Can't wait to get you shook up

Faster than you can try to hate it

You can try to hate it, you can try to fake it

But baby, I laced it [Chorus]

Get off on me, my body's got you pleadin'

Light me up and breathe in

Mirror on the ceilin'

Off on me, my body's got you pleadin'

Light me up and breathe in
Mirror on the ceiling
A-YO, A-YO
