

# Have You Ever Loved a Woman

## Kentucky Headhunters

Have you ever loved a woman  
So much you tremble in pain?  
Have you ever loved a woman  
So much you tremble in pain?  
When all the time you know

She bears another man's nameBut you just love that woman  
So much it's a shame and a sin  
But you just, you just love that woman  
So much it's a shame, it's a shame and a sin  
When you known all the time

She belongs to your very best friendLet me tell you [Incomprehensible]Have you ever loved a woman  
And you know you can't leave her alone?  
And you know, yes, you know you can't leave her alone?  
Have you, have you ever loved a woman  
And you know you can't leave her alone?  
Something deep inside of you  
Won't let you wreck your best friend's home
