

With All Of My Heart

ZOEgirl

Zoe GIRL, Zoe Girl
Zoe Girl, life, life
Not just life, eternal life You know I can't explain this feeling
It's almost like I'm dreaming this reality
You know, You give me such a freedom
I finally found the way home I'm right where I belong Ever since the day I prayed
You into my heart I placed
Every bit of me into Your hands
Lord, I'm here to stay With all of my heart, I'm gonna love You
With all of my soul, I'll put all my trust in You
With all of my strength, I'm standing beside You
With all of my everything, I will worship You, my King
With all of my heart, with all of my heart Oh, Lord, I can't define You
Who am I to know You the way I do?
From now until forever
I promise I will never, never let You go Lord, I want to be the one
After all is said and done
From now till eternity
I'm yours faithfully With all of my heart, I'm gonna love You
With all of my soul, I'll put all my trust in You
With all of my strength, I'm standing beside You
With all of my everything, I will worship You, my King
With all of my heart Every night when I close my eyes
I am amazed at how You've blessed my life in every way
I'm mystified by Your great love
Nothing compares to having You near
Every day I'll love You more than the day before With all of my heart, I'm gonna love You
With all of my soul, I'll put all my trust in You
With all of my strength, I'm standing beside You
With all of my everything, I will worship You, my King With all of my heart, I'm gonna love You
With all of my soul, I'll put all my trust in You
With all of my strength, I'm standing beside You
With all of my everything, I will worship You, my King With all of my heart, I'm gonna love You
With all of my soul, I'll put all my trust in You
With all of my strength, I'm standing beside You
With all of my everything, I will worship You, my King With all of my heart, I will worship You
With all of my soul, I will worship You
With all of my strength, I will worship You
With all of my everything, I will worship You, my King
