Sweet Frustration

Audiovent

I feel
I'm walking through this my life
Paralyzed
But this sweet
Frustration keeps me alive
It seems likeI have died a thousand days
Just to feel this quicksand
Every movements, is embraced
By this sweet frustration
Ho hoo
Yea yea yea yeaPain
From throwing my insides out
Only to
Decompose
Right in front of my eyes
It seems likeI have died a thousand days
Just to feel this quicksand
An' every movements is embraced
By this sweet frustrationOoo ohh ho
Oo haa ah haa
And someday
My sweet frustrations will bloom
Yea, someday
My sweet frustrations will bloom
I won't die another day
No more sweet frustrationI have died a thousand days
Just to feel this quicksand
And every movements is embraced
By this sweet frustration(Aaa)
And I have died a thousand days
Just to feel this quicksand
(Aaa)
And every movements is embraced
By this sweet frustration
