Silly Girl

el Axel

Silly girl, wasn't you a silly girl?
Silly girl, what have you done now?You ran away on a train to Crewe
Such a silly thing to do
Your parents are worried about you
Time you changed your attitudeSilly girl, wasn't you a silly girl?
Silly girl, what have you done now?I'm sitting alone in a quiet room
Trying to write a letter to you
It's only me who understands
Girl I'll always hold yor handSilly girl, wasn't you a silly girl?
Silly girl, what have you done now?
