

# Who Is Mikey Trousers

## The Lads

I do not believe that I will ever be  
A multi millionaire but I can see  
I can be someone from where I am  
If I get up and run, get up when I make mistakes, some heinous  
Some of them just make me late But I will always be Mikey Trousers  
He is good enough for me 'cos this is who I am  
It's not easy but I'll be the best I can There are times I wish that I was someone else  
The best at everything and not myself  
In a world of possibilities  
I'll take a chance with me, even though
