

Figured Me Out

Jamie Lidell

It's a mystery how pieces of me
Can put back together so easily
You strike me down from my head to the ground
You thought I lost what you have found You figured me out
You've shaken me down
So won't you tell me what I'm all about?
Please ooh, ooh, please If I'm easy to read
Won't you tell me what I need?
'Cause I'm down on my knees
Begging you, baby
Please, ooh, ooh, please I'm hypnotized by this world we live in
But you know which way
My pendulum's swinging
With you I'm a loser winning It's a mystery how it could be
That you got the look to see right through me
But now I'm complete, back on my feet
Stepping to the beat, you made so sweet You figured me out
You've shaken me down
So won't you tell me what I'm all about?
Please, ooh, ooh, please If I'm easy to read
Won't you tell me what I need?
'Cause I'm down on my knees
Begging you, baby
Please, ooh, ooh, please I'm hypnotized by this world we live in
But you know which way
My pendulum's swinging
With you I'm a loser winning Ordinary thoughts, ever kind
Got me on a status that crossed my mind
Possibly in another mind
Won't you come and make up my mind, oh Oh, I'm hypnotized by this world we live in
But you know which way
My pendulum's swinging
With you I'm a loser winning
