

Bad Things

[Meiko](#)

I know what I want
and I'll get what I need I'll come over and I'll show you how,
don't you wish that you could have me now You say that you want all of my love but lets be honest we don't
need all that

I like it better with no strings attached Good girls do bad things sometimes, but we get by with it
Good girls do bad things sometimes, but we get by with it How much more can you take if I give you a taste?

I've been waiting for you all night long,

I come around but then I'm gone

You get yours, I'll get mine And we run out of time,

your the only one that I desire

Cause I love to play with fire Good girls do bad things sometimes, but we get by with it

Good girls do bad things sometimes, but we get by with it Ooooh

Oh oh oh oh oh

Ooooh

Oh oh oh oh oh When I'm down I'll let you know (oh oh oh oh oh)

When I'm down I'll let you go (oh oh oh oh oh) Good girls do bad things sometimes, but we get by with it

Good girls do bad things sometimes, but we get by with it
