

# Heart of the Sunrise

Virgil Howe

Love comes to you and you follow  
Lose one on to the heart of the sunrise sharp-distance  
How can the wind with its arms all around meLost on a wave and then after  
Dream on on to the heart of the sunrise sharp-distance  
How can the wind with so many around me lost in the cityLost in their eyes as you hurry by  
Counting the broken ties they decide  
Love comes to you and then after  
Dream on on to the heart of the sunriseLost on a wave that you're dreaming  
Dram on on to the heart of the sunrise sharp-distance  
How can the wind with its arms all around me sharp-distance  
How can the wind with so many around me I feel lost in the cityLost in their eyes as you hurry by  
Counting the broken ties they decidedStraight light moving and removing  
Sharpness of the color sun shine  
Straight light searching all the meanings of the songLong last treatment of the telling that  
Relates to all the words sung  
Dreamer easy in the chair that really fits youLove comes to you and then after  
Dream on on to the heart of the sunrise sharp-distance  
How can the sun with its arms all around me sharp-distance  
How can the wind with so many around me I feel lost in the city
