

The Sidewinder Sleeps Tonight

R.E.M.

This here is the place I will be staying
There isn't a number
You can call the pay phone
Let it ring a long, long, long, long time
If I don't pick up, hang up, call back, let it ring some more
If I don't pick up, pick up
The sidewinder sleeps, sleeps, sleeps in a coil
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
There are scratches all around the coin slot
Like a heartbeat, baby trying to wake up,
But this machine can only swallow money
You can't lay a patch by computer design
It's just a lot of stupid, stupid signs
Tell her,
Tell her she can kiss my ass,
Then laugh and say that you were only kidding
That way she'll know that it's
Really, really, really, really me
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Baby, instant soup doesn't really grab me
Today I need something more sub-sub-sub-substantial
A can of beans or blackeyed peas, some Nescafe and ice,
A candy bar, a falling star, or a reading of Doctor Seuss;
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
The cat in the hat came back, wrecked a lot of havoc on the way,
Always had a smile and a reason to pretend
But their world has flat backgrounds
And little need to sleep but to dream
The sidewinder sleeps on his back
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up

Call me when you try to wake her
I can always sleep standing up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
I can always sleep standing up
Call me when you try to wake her
Call me when you try to wake her up
Call me when you try to wake her
I can always sleep standing up
Call me when you try to wake her
I can always sleep standing up
Call me when you try to wake her We've got to moogie, moogie, move on this one
