Once Upon The Cross

Deicide

Fear him, fear him, fear him... SatanNazarene in the valley of persuasion
To receive last temptations from Lord Satan
"Take a bite" said the serpent "eat of it"
Without no choice to do so, you cannot resistImpaled crucifixion
Compassion forgot
Eternal damnation
Once upon a crossBlasphemy laughs at thee
Jesus you've been deceived
Struggling on the cross
Gagging to breathe
Despite your god, question why
You were retrieved by the angel of lightKill him, kill him, kill him... SatanNazarene screaming on his crucifixion
Prophecy in its final contradiction
When you die is when the lie will be believed
Upon the cross, before the world to see
