Atlas

Sparta

Well, I love this town like you do
We'll burn it to the ground
Pack your things and then you're gone
Call a new place homeLike you do, like you do
Like you do, like you do
And you'll never changeWell, I got a feeling inside
It's gonna happen again
There's a fire deep in your eyes
That never seen beforeLike you do, like you do
Like you do, like you do
And you'll never change
You'll never changeMore than life
Expose who you are
More than life
Expose who you areMore than life
Expose who you are
More than life
Expose who you areMore than lifeMore than life
Expose who you are
More than life
Expose who you are
