

# No-go Showboat

## Beach Boys

No-go showboat, no-go showboat  
(No-go showboat) Well, I got a wild custom  
That wins every show  
But it's a no-go showboat  
(No-go showboat) Yeah but everybody knows  
That she just don't go  
She's my no-go showboat  
(No-go showboat) White wall slicks with racing mags  
She's just for looks, man, not for drags  
'Cause it's a no-go showboat  
(No-go showboat) No go  
No go Well, the guys all dig it  
They've got no complaints  
About my no-go showboat  
(No-go showboat) And the chicks really flip for  
That metal flake paint  
On my no-go showboat  
(No-go showboat) It really rates fine in the custom clan  
With hand-formed panels, tuck-and-roll rear pan  
'Cause it's a no-go showboat  
(No-go showboat) No go  
No go Well, the engine compartment's filled  
With all chrome goodies  
In my no-go showboat  
(No-go showboat) Yeah but everybody takes me  
Even old Ford woodies  
In my no-go showboat  
(No-go showboat) When it comes to speed, man, I'm just outa luck  
I'm even shut down by the ice cream truck  
'Cause it's a no-go showboat  
(No-go showboat) No go  
No go No-go showboat  
(No-go showboat)  
No-go showboat  
(No-go showboat) She's just my  
(No-go showboat)
