It's Bad for Me

The Roches

Your words go through and through me
And leave me totally dazed
For they do such strange things to me
They nearly make me gloomyFor you dear are so clever
So obviously the top
I wish you'd go on forever
I wish even more you'd stopOh, it's bad for me, it's bad for me
The knowledge that you're going mad for me
I feel certain, my friends would be glad for me
But it's bad for meIt's so good for me, so new for me
To see someone in such a stew for me
And when you say, you'll do all you could for me
It's so good for me, it's bad for meI felt 'til you whispered to me
Completely left on the shelf
But since you started to woo me
I'm just crazy about myselfIt's a boon for me, a break for me
To hear that your heart's on the make for me
Yet no matter however appealing
I still have a feeling, it's bad for meIt's so sweet for me, it's swell for me
To feel that you're going through hell for me
Yet no matter however appealing
I still have a feeling, it's bad for me
