When Dreams Become Nightmares

Abandon All Ships

You
thought you had me fooled.
But you have no clue
what's in store for you.Sleepless nights and im dreaming of you when dreams become nightmares.
So blame me for
what I'll do.You've fallen victim to,
the night and it's just me and you.
You've fallen victim to the night,
And now it's just me and you.One-This could not be solved with a gun.
Two-If this is true now it's too bad for you.
Three-For everything you've done to me.
Four-You'll burn in hell, you fucking whore.One-This could not be solved with a gun.
Two-If this is true now it's too bad for you.
Three-For everything you've done to me.
Four-You'll burn in hell, you fucking whore.Baby, don't cry, don't scream.
Just close your eyes and pretend this is a dream.Its all a dreamBaby, don't cry don't scream.
Just close your eyes and pray that this is a dream.Its all a dreamPretend this is a dream
