Teresa Brewer

Music, music music
Put another nickel in
In the nickelodeon
All I want is loving you and
Music, music music
I'd do anything for you
Anything you'd want me to
All I want is kissing you and
Music, music music Closer, my dear come closer
The nicest part of any melody
Is when you're dancing close to me Put another nickel in
In the nickelodeon
All I want is loving you and
Music, music music
