

# As Long As You Love Me

Ali Brustofski

Although loneliness has always been a friend of mine

I'm leavin' my life in your hands

People say I'm crazy and that I am blind

Risking it all in a glance

And how you got me blind is still a mystery

I can't get you out of my head

Don't care what is written in your history

As long as you're here with me

I don't care who you are, where you're from

What you did, as long as you love me

Who you are, where you're from

Don't care what you did, as long as you love me

Every little thing that you have said and done

Feels like it's deep within me

(Ohh, mmm)

Doesn't really matter if you're on the run

It seems like we're meant to be

I don't care who you are

(Who you are)

Where you're from

(Where you're from)

What you did, as long as you love me

(I don't know)

Who you are

(Who you are)

Where you're from

(Where you're from)

Don't care what you did, as long as you love me

(Yeah)

As long as you love me

As long as you love me

I've tried to hide it so that no one knows

But I guess it shows when you look into my eyes

What you did and where you're comin' from

I don't care, as long as you love me, baby

Ohh, ohh

I don't care who you are

(Who you are)

Where you're from  
(Where you're from)  
What you did, as long as you love me  
(As long as you love me)  
Who you are  
(Who you are)  
Where you're from  
(Where you're from)  
Don't care what you did  
(Yeah)  
As long as you love me  
(As long as you love me)  
Who you are  
(Who you are)  
Where you're from  
What you did, as long as you love me  
Who you are  
(Who you are)  
Where you're from  
(Where you're from)  
As long as you love me  
Who you are, as long as you love me  
What you did  
(I don't care)  
As long as you love me
