Feel So Glad

Steve Miller Band

There are so many places
You have roamed
So many people
You have known
I know many of them you loved
Some are here, some are gone
None of them could love you
Cause I'm the only oneYou've been away
Ohh, so long
And I need you
So, come onDon't you be sad
Cause it won't be long
I know it's been bad
But you'll soon, soon be homeIf I couldn't just be with you
Everything would be fine
If I couldn't just talk to you
It would ease your troubled mindI'm your love
You're my woman
And you waited so patientlyDarling I'm waitin' here
Come on, come on, come on, come on home
There's so many things you got to hear
Some don't, don't stay away long
Don't stay away longWell, listen little girl
You know I need you so
I'm savin' all of my love
And that's something you should know
The feeling's gettin' stronger
You know I can't get away
I've got to be with you baby
Each and every day
So hurry, hurry, hurry, hurry home
