

Bedhead

Sleeper

Got an open mind just for show
Got a one track mind, don't I?
Gotta go gotta go but I'm easily lead
Gotta go gotta go but I'm easily God I'm lost inside you again
Got an old desire for you
Gotta go gotta go but I'm easily lead
Like to stay and get more bed head Higher, higher, higher
Ooh ah ooh o wow
Higher, higher, higher
Ooh ah ooh o wow
Yes, yes I think so
Yes, yes, oh think so Think I'll try to call you again
Make a nice surprise, don't you?
Gotta go gotta go but I'm easily lead
Gotta go gotta go but I'm easily Made a note to leave you alone
I'm too drunk to read, aren't I?
Gotta go gotta go but I'm easily lead
Like to stay and get more bed head Higher, higher, higher
Ooh ah ooh o wow
Higher, higher, higher
Ooh ah ooh o wow
Yes, yes I think so
Yes, yes I think so Got to go now
Know I must see you soon
We'll get bed head
And stay awake 'til high noon Yes, yes, I think so
Yes, yes, I think so
Yes, yes, oh, I think so
Yes, yes, oh, I think so
