

# Sick (Seth Lawrence "Tribal Shelltoe Mix")

## Sneaker Pimps

I'll play your games with your sex,  
With electric shocks  
Learn to let myself loose  
And be the dummy in your snapshots I'll play your games  
Learn to get on with your backward fans  
Stick my body in the sun  
And help to get rid of the white tan And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me I'll play your games,  
Mark the names with the blackest spots  
If you're building me up  
To be the target for your cheap shots I'll play your games  
Keep a blind eye on the main chance  
Strip my body of its skin  
And try to cancel out the white trash And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me I'll play your games  
If your aim is for the quick fix  
'Cause I know what you wanted  
And I know how you got it I'll play your games  
If you play out in the fast lane  
Learn to jump into the road  
And hope to save a little lost face And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me  
And maybe then you wouldn't get so sick of me
