

Peace Sells

Habeas Corpus

What do you mean, "I don't believe in God?"
I talk to him every day
What do you mean, "I don't support your system?"
I go to court when I have to And what do you mean, "I can't get to work on time?"
I got nothing better to do
What do you mean, "I don't pay my bills?"
Why do you think I'm broke? May be you're sick If there's a new way
I'll be the first in line
But it better work his time What do you mean, "I hurt your feelings?"
I didn't know you had any feelings
What do you mean, "I'm not kind?"
Just not your kind What do you mean, "I couldn't be the President
United States of America?"
Tell me something
It's still ""We the people, right?"
Sing louder If there's a new way
I'll be the first in line
But it better work his time Can you put a price on peace?
Peace, peace sells
Peace, peace sells
Sing with me Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying? Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying?
Peace sells, but who's buying? No, peace sells
Peace sells
