Love Religion

The Almighty

Life is my passion
Lust is my confession
Love's my religion
Sign of my originHe's my love religion
He's my love religion
He's my love religion
I believe in you
He's my love religion
He's my love religion
He's my love religion
I believe in youAbased abased abazey
Abased abased abazey
Abased abased abazey
Abased abased abazey
Abased abased abazeyLife is my passion
Lust is my confession
Love's my religion
Sign of my originHe's my love religion
He's my love religion
He's my love religion
I believe in you
He's my love religion
He's my love religion
He's my love religion
I believe in youAbased abased abazey
Abased abased abazey
Abased abased abazey
Abased abased abazey
Abased abased abazeyLife is my passion
Lust is my confession
Love's my religion
Sign of my originHe's my love religion
He's my love religion
He's my love religion
I believe in you
He's my love religion
He's my love religion
He's my love religion
I believe in you
