

I Want Action

Poison

I want action tonight, satisfaction all night
I grab my hat and I grab my shoes
Tonight I'm gonna hit the streets and cruise
Down the main strip and check it out
With those schoolgirls a hangin' around
I'm a sucker for a pretty face
I don't care if she's in leather or lace
'Cause I'm just lookin' for a little kiss
I want action tonight, satisfaction all night
You've got the love I need tonight
Long legs and short skirts
These girls hit me where it hurts
I can't wait to get my hands on them
I won't give up until they give in
Not lookin' for a love that lasts
I need a shot and I need it fast
If I can't have her, I'll take her and make her
I want action tonight, satisfaction all night
You've got the love I need tonight
Hey, sweetheart, slide on in here
No, no no no jump in the back, not in the front, why?
'Cause there's something back there I want to show
I want action tonight, satisfaction all night
I want action tonight, satisfaction all night
You've got the love I need tonight
I want action tonight, satisfaction all night
You've got the love I need tonight
You've got the fruit I eat tonight
You're my fuse, dynamite allright
Need you tonight
