

# Ahead Of The Curve

## Monsters of Folk

I learned a good way (good way)  
I learned a good way (good way)  
I learned a good way of saying goodbye

I learned a good way (good way)  
I learned a good way (good way)  
You taught me everything I know about taking other people for a ride  
And I just wanted to take the time to thank you for that gift tonight

I learned a good way (good way)  
I learned a good way (good way)  
I learned a good way of saying goodbye

I learned a good way (good way)  
I learned a good way (good way)  
You taught me everything I know about taking other people for a ride  
And I just wanted to take the time to thank you for that gift tonight
