# Made To Worship

## Travis Cottrell, Regi Stone & Friends

Before the day, before the light
Before the world revolved around the sun
God on high stepped down into time
And wrote the story of His love for everyoneHe has filled our hearts with wonder
So that we always rememberYou and I were made to worship, you and I are called to love
You and I are forgiven and free
You and I embrace surrender, you and I choose to believe
Then you and I will see who we were meant to beAll we are and all we have
Is all a gift from God that we receive
Brought to life we open up our eyes
To see the majesty and glory of the KingHe has filled our hearts with wonder
So that we always rememberYou and I were made to worship, you and I are called to love
You and I are forgiven and free
You and I embrace surrender, you and I choose to believe
Then you and I will see who we were meant to beAnd even the rocks cry out and even the Heavens shout
At the sound of His holy name
So let every voice sing out, and let every knee bow down
He's worthy of all our praiseYou and I were made to worship, you and I are called to love
You and I are forgiven and free, yeah
When you and I embrace surrender, you and I choose to believe
Then you and I will see, you and I will seeYou and I were made to worship, you and I are called to love
You and I are forgiven and free, yeah
You and I embrace surrender, you and I choose to believe
Then you and I will see who we were meant to beYeah, we were meant to be
You and I, you and I, yeah, yeah
Who we were meant to be
