Lyrica Anderson

Yeah I'm sittin there starin at my clock,
thinkin bout you
Doin all this bullshit I don't even do like
Waitin late night for you to come through
I'm over here trippin, why you actin brand new?
Why you actin brand new? Ah ah yea yea
Actin brand new, why you actin brand new?
Whyyy? Oh baby oh baby

(1)

I, I wish that I could unfuck you
I, I wish that I could unfuck you

(2)

Cause boy you don't deserve my love, love
Boy you don't deserve my love, love
Boy you don't deserve this love, love
Boy you don't deserve this, boy you don't deserve this

()

Got my panties on, yo t-shirt on, our favorite song yea ah
But you took too long, you know you're wrongIt's too late to rewind
You're always on my mind

But I can't waste my timeI know you want my body
It's too late to rewind

(1)

I, I wish that I could unfuck you
I, I wish that I could unfuck you

(2)

Cause boy you don't deserve my love, love
Boy you don't deserve my love, love
Boy you don't deserve this love, love
Boy you don't deserve this, boy you don't deserve this

(Ty Dolla \$ign)

You say I don't deserve it uh

But you know I'm worth it, yea

You I I got no money than that weak ass nigga you fuckin with, girl
You know what it is, why you actin brand new? Why you actin brand new?

Stay in it late night like come through, I wanna see you

But now you say you wish you never met me at all

Wish you could take it all back

(1) I, I wish that I could unfuck you

I, I wish that I could unfuck you

Take it all back
