Pay to Play (feat. Chris Motionless)

Combichrist

The card you've dealt
The card of death is in your hands
Can't run away
I know it's hard for you to understandDancing with the devil
With the devil on your grave
Seeking shelter in the shadows
You know the dark is always here to stayYou gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)
Double or nothing
You know we're going out in fame
We're going all in
We're here to play the gameSo we embrace it
Gotta die, why not today?
Not gonna waste it
Who fucking cares? There is nothing left to sayThe card of death is in your hand
Can run away, it's hard to understand
Dancing with the devil, with the devil on your grave
Try to seek shelter, but the dark is here to stayYou gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)
You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)You gotta pay (to play)
You gotta play (a game)
You wanna live, (but death comes someday)
