

# Energy of Light (Fast Fertig mix)

## Magic Affair

That's the power of lightLight [light] energy of light [light, light]  
Shining through the night [night, night]  
Full of energy [light]  
The light that shines on meLight [light] precious gift for all [light, light]  
It will keep me warm [light, light]  
Conquer all my fears [light, light]  
Color of my tearsEnergy of light  
All I want from you is energy,  
Energy of light  
A creation of the light in me  
Tell me won't you tell me  
Can you see what I can see  
Tell me won't you tell me  
Is the power of the light in meEnergy of, energy of, energy of light  
Energy of, energy of, energy of lightLight [light] energy of light [light, light]  
Illuminates my mind [light, light]  
So my heart will glow [light]  
I'll never let it goLight [light] guide me through the night [light, light]  
Make me feel so right [light, light]  
You light up my love [light, light]  
I just can't get enough
