

# In This Life

## Delta Goodrem

I was nurtured, I was sheltered  
I was curious and young  
I was searching for that something  
Trying to find it on the run Oh, and just when I stopped looking  
I saw just how far I'd come  
In this life, in this life You give me love, you give me light  
Show me everything's been happening  
I've opened up my eyes, I'm following Three steps fight an honest fight  
Two hearts that can start a fire  
One love is all I need in this life Yeah, yeah, yeah, yeah  
In this life  
Whoa, whoa, whoa, whoa I have faltered, I have stumbled  
I have found my feet again  
I've been angry and I've been shaken  
Found a new place to begin And my persistence to make a difference  
Has led me safe into your hands  
In this life, in this life You give me love, you give me light  
Show me everything's been happening  
I've opened up my eyes, I'm following Three steps fight an honest fight  
Two hearts that can start a fire  
One love is all I need in this life Whoa, whoa, whoa, whoa  
In this life  
Yeah, yeah, yeah, yeah I was put here for a reason  
I was born into this world  
And I'm living and I'm believing  
That I was meant to be your girl  
In this life, in this life You give me love, you give me light  
Show me everything's been happening  
I've opened up my eyes, I'm following Three steps fight an honest fight  
Two hearts that can start a fire  
One love is all I need in this life Three steps fight an honest fight  
Two hearts that can start a fire  
One love is all I need in this life Yeah, yeah, yeah, yeah  
In this life  
Yeah, yeah, yeah, yeah  
In this life Whoa, whoa, whoa, whoa  
In this life  
Yeah, yeah, yeah, yeah
