Love Walks In

Van Halen

Contact is all that it takes
To change your life, to lose your place in time
Contact asleep or awake
Coming around you may wake up to findQuestions deep
Within your eyes
Now more than ever
You realizeAnd then you sense a change
Nothin' feels the same
All your dreams are strange
Love comes walkin' inSome kind of alien
Waits for the opening
And simply pulls a stringAnother world, some other time
You lay your sanity on the line
Familiar faces, familiar sights
Reach back, remember with all your mightOoh, and there she stands
In a silken gown
Silver lights
Come shinin' downAnd then you sense a change
Nothin' feels the same
All your dreams are strange
Love comes walkin' inSome kind of alien
Waits for the opening
Simply pulls a string
Love comes walkin' inOh, sleep and dream and that's all I crave
I travel far across the milky way
To my master I become a slave
Till we meet again some other dayWhere silence speaks
As loud as war
Earth returns to what
It was beforeAnd then you sense a change
Nothin' feels the same
All your dreams are strange
Love comes walkin' inSome kind of alien
Waits for the opening
And simply pulls a string
Love comes walkin' inLove comes walkin' in
Baby, pull the string
Love comes walkin' in
Love comes walkin' in yeah
