

# It Was Always You

## Maroon 5

Woke up sweating from a dream  
With a different kind of feeling, oh  
All day long my heart was beating  
Searching for the meaning, ohHazel eyes, I was so color blind  
We were just wasting time, uh uh babe  
For my whole life, we never crossed the line  
Only friends in my mind, but now I realizeIt was always you  
Can't believe I could not see it all this time  
All this time  
It was always you  
Now I know why my heart wasn't satisfied  
Satisfied  
It was always you, you  
No more guessing who  
Looking back now I know it was always you  
Always youAll my hidden desires  
Finally came alive, hmm  
No, I never told lies  
To you so why would I  
Start tonightHazel eyes, I was so color blind  
We were just wasting time, uh uh yeah  
For my whole life, we never crossed the line  
Only friends in my mind, but now I realizeIt was always you  
Can't believe I could not see it all this time  
All this time  
It was always you  
Now I know why my heart wasn't satisfied  
Satisfied  
It was always you, you  
No more guessing who  
Looking back now I know it was always you  
Always youAh, yeah (you, you, you, always you, you, you)  
Ah, yeah (you, you, you, always you, you, you)Woke up sweating from a dream  
With a different kind of feelingIt was always you  
Even if I could not see it all this time  
All this time  
It was always you (always)  
Now I know why my heart wasn't satisfied, satisfied  
It was always you, you

No more guessing who

Looking back now I know it was always you, always you  
It was always you
