

# Latino Lingo (Latin Lingo)

## Cypress Hill

("Bad, let's start the fuckin' show, ah?")

Freak to the funk that no-one else is bringing  
Sen Dog with the funky bilenge  
Yeah that's the nombre, heard the homey  
Peace to Mellow and Frost, and the deporte  
Sen Dog is not kid from Veterano  
I'm down, another fried hispano  
One of the many of the latin de este ano  
And I got plenty for the Jennies tryin' to hound dog  
But wait, they're clownin on me cause of my language  
I have to tell em straight up, it's called spanglish  
Now who's on the fiend, gala gringo  
Tryin' to get paid, from the funky bilingual

Latin lingo baby (funky bilingual) funky bilingual  
Yeah, funky bilingual!  
Latin lingo baby (funky bilingual) funky bilingual  
It's the latin lingo!

Cuando entro, when I come in, suckers fronted  
Me mira, another bilingual from bein a  
vengo, como ejemplo, check the tempo  
Ah, it's that chingonla instrumental  
Ya oiste, como somos  
Yo no jodo, acÃf?Ã,Â; estoy solo  
And you can hear it, in las congas  
Tribal ceremony as the Hill gets stronger  
Don't be such a leper what chupa la cabeza  
Hey homes, pass the cerveza  
Before I have to go and push up on your reza  
Hmm, she's fine, son que fresca  
Here homes have a hit of this yesca  
Deep yo enseno (en-senyo) the lingua la prento  
Now you know, that I am in the centro  
Where you live, si tu puedes  
Nowadays you ain't shit without your puentes  
Something like it's gangbang, vatos get it BANG BANG  
Could of hung out with them now you callin me a insane

Salte de mi cara sal de mi camino  
Make way, for the the funky bilingual

Latin lingo baby (funky bilingual) funky bilingual  
Funky bilinguals hoe!  
Latin lingo baby (funky bilingual) funky bilingual  
It's the latin lingo, baby!  
Latin lingo baby (funky bilingual) funky bilingual  
Funky bilingual,  
Some of that old Latin funk, know what I'm sayin?

(What's up homey? Don't you know me?) Si mon  
(Ain't you the brother of the mas pingo?) Straight up  
And I'm down with La Raza  
Kid Frost got my back, boo-ya! in la casa  
Cause everyday things get a little crazier  
As I step to the microphone area  
First I claim my city, puro Los Angeles (an-heles)  
Yeah (you know homes) that's where the calles is  
Vato wouldn't know me, along with the heinas  
Catchin' all them slippin', for they such a one-timer  
So when you see me at the party or the baile  
Before I got here I was gaffled in the calle  
Troop like a vacho who said I was borracho  
Had an attitude, tried to play me macho  
Just relax, calmado mijo  
Sen Dog with the funky bilingual

Latin lingo baby, funky bilingual  
Funky bilingual  
Latin lingo baby, funky bilingual  
Funky bilingual  
Latin lingo baby, funky bilingual  
Funky bilingual, funky baby!

Yeah, I'd like to send peace, to my homeboy B-Real  
Mellow Man Ace, Kid Frost, Ralph M the Mexican  
And we're out
