Hurry

TGT

You had time long to bathe long
To get your hair, your nails did, your dress on
Oh, my girl, good Lord
Looks like a movie star
Now I'm ready to get messy
And do all the things you did to impress me
Don't be shy, girl, don't hold back now
There's one thing on my mind
And be sure you're mineGirl, I've been waiting long
All this time and you know
I don't wanna go
I don't wanna, I don't wanna go slow
Girl, I want you in a hurry
Take down in a hurry
On me in a hurryCan we forget about the foreplay?
Let's just use the time a different way
Jump right on here, you've got the space
Girl, I'm a love you, won't cut away
Whatever you want, just say the word, it's yours
Girl, turn on all the lights, I wanna see you stoop
You shaking like an earthquake when I give you more
We in this bed, but girl, our bed is better on the floorGirl, I've been waiting long
All this time and you know
I don't wanna go
I don't wanna, I don't wanna go slow
Girl, I want you in a hurry, right now
In a hurry, in a hurryGirl, I've been waiting long
All this time and you know
I don't wanna go
I don't wanna, I don't wanna go slow
Girl, I want you in a hurry, right now
In a hurry, in a hurry
In a hurry, in a hurryNow we gotta set up, fresh sheets out the laundry, girl
Don't wait up, wait up
'Cause at this rate we might be playing catch up
Since you laid your body down
It ain't been hard to get up, get up
Baby, I want it now
Won't be long until we going, stay

Oh, you're a nasty girl and I'm turning you on
I got every intention to show you how I feelGirl, I've been waiting long
All this time and you know
I don't wanna go
I don't wanna, I don't wanna go slow
Girl, I want you in a hurry, right now
In a hurry, in a hurryGirl, I've been waiting long
All this time and you know
I don't wanna go
I don't wanna, I don't wanna go slow
Girl, I want you in a hurry, right now
In a hurry, in a hurryGirl, I've been waiting
