Without You

Lana Del Rey

Everything i want i have:
Money, notoriety, rivieras
I even think i found god
In the flash bulbs of your pretty cameras,
Pretty cameras, pretty cameras
Am i glamorous? baby, am i glamorous?

Hello? hello?
Can you hear me?
I can be your china doll
If you want to see me fall
Boy your so dope,
Your love is deadly
Tell me life is beautiful,
They all think i have it all
I am nothing without you
All my dreams and all the lights mean
Nothing without you...

Summertime is nice and hot
And my life is sweet like vanilla is
Gold and silver line my heart
But burned into to my brain
All these stolen images,
Stolen images, baby, stolen images
Can you picture this
What a life we could've lived?

Hello? hello?
Can you hear me?
I can be your china doll
If you want to see me fall
Boy your so dope,
Your love is deadly
Tell me life is beautiful
They all think i have it all
I am nothing without you
All my dreams and all the lights mean

Nothing without you...

We were two kids, just tryin to get out,
Live on the dark side of the american dream
We would stay out late, play our music loud,
When we grew up nothing was what it seemed...

Hello? hello?
Can you hear me?
I can be your china doll
If you want to see me fall
Boy your so dope, so dope
Your love is deadly
Tell me life is beautiful,
They all think i have it all
I am nothing without you
All my dreams and all the lights mean
Nothing without you...

All my dreams and all the lights mean
Nothing if i can't have you...
