No Letting Go (remix)

Wayne Wonder

When you wanna baby
When you wanna baby
So, ooh
When you wanna baby
Got somebody she's a beauty
Very special really and truly
Take good care of me like it's her duty
Want you right by my side night and day
No letting go, no holding back
Because you are my lady
When I'm with you it's all of that
Girl, I am so glad we've made it
No letting go, no holding back
No holding back, no, yeah
When I'm with you it's all of that
All a that, yeah, yeah, yeah
They say good things must come to an end
But I'm optimistic about being your friend
Though I make you cry by my doings
With Keisha and Anisha
But that was back then
No letting go, no holding back
Because you are my lady
When I'm with you it's all of that
Girl, I am so glad we've made it
No letting go, no holding back
No holding back, no, yeah
When I'm with you it's all of that
All of that, yeah, yeah, yeah
Really appreciate you loving me
After all that we've been through
Really appreciate you loving me
All times, time
Got somebody she's a beauty
Very special really and truly
Take good care of me like it's her duty
Want you right by my side night and day
No letting go, no holding back
Because you are my lady

When I'm with you it's all of that
Girl, I am so glad we've made it
No letting go, no holding back
No holding back, no
