

Loveblind

[Ali Brustofski](#)

Line 1

The way you brushed my hair
Out of my eyes
Said youâ€™d catch every tear that I ever cry
The way you sing to me my favorite song
Never mattered that you never knew the words were wrong

Chorus

I donâ€™t wanna remember you
But somehow you stain this heart of mine
How do I walk away from you?
How did you just leave me behind?
Before you run, Before you hide
I need one more thing tonight
No matter how hard I try
I canâ€™t just go love blind

Line 2

Iâ€™ve tried to copy you
And do the things you do
Cause youâ€™re not broken
Youâ€™re moving on
Youâ€™re breaking all the rules
And I try to smile
But its all an act
I hear your name and every time
It seems to pull be back

Chorus

I donâ€™t wanna remember you
Somehow you stain this heart of mine
How do I walk away from you?
How did you just leave me behind?
Before you run, before you hide
I need one last thing tonight
And no matter how hard I try
I canâ€™t just go love blind

Ohhss

Chorus

Before you run, before you hide
I need one last thing tonight
No matter how hard I try
I just cant go love blind,
Before you run before you hide,
I need one last thing tonight
No matter how hard I try
I just cant go love blind
