Come Down

Hanni El Khatib

If the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I want
If the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I wantIf the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I want
If the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I wantIf the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I wantLord come down
Judge me now
If the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I want
If the God's gonna come down
You better come now
Because if he ain't going to come
I'm going to do what I want
