Faith

Insted

When times are tough and you're all mixed up.
Everything's all wrong.
Nothing's gone your way.
If you're in doubt don't count yourself out.
Believe in yourself and keep the faith.
Through good and bad - thick and thin.
Don't give up - don't give in.
Faith!
Bad times have dawned.
Hurt sets in.
A friendship is strained.
Pain's in your heart.
If it's not clear and no one is near.
Remember one thing and keep the faith.
Through good and bad - thick and thin.
Don't give up - don't give in.
Faith
